BASF Environmental Catalyst and Metal Solutions receives Superior Performance Award from Subaru of Indiana Automotive

ISELIN, NJ, August 12, 2024 — BASF Environmental Catalyst and Metal Solutions (ECMS) has been awarded the Superior Performance Award from Subaru of Indiana Automotive Inc. for the second consecutive year. To qualify for the award, suppliers must have first earned the Excellent Performance Award for three to four sequential years. The Excellent Performance Award recognizes suppliers who consistently meet Subaru's targets for safety, quality, cost and delivery.

"We are honored to receive this award from Subaru of Indiana Automotive once again," said Melissa Matejek, Vice President, Americas and Global Key Accounts, Mobile Emissions Catalysts for ECMS. "This achievement reflects our team's unwavering focus on quality and our partnership with Subaru. We look forward to continuing our work together, driving innovation and sustainability in the automotive industry."

Of approximately 250 suppliers, ECMS was among 24 recipients honored in 2024, showcasing the entity's commitment to delivering products with the highest standards. The recognition underscores ECMS's continuous dedication to operational excellence and role in supporting Subaru's manufacturing processes. As a leader in mobile emissions catalysts, ECMS is committed to providing quality products that meet the needs of customers and contribute to a sustainable future.
